

A Lash Above®

Classic Nourishing Facial \$80

A gentle cleansing facial with exfoliating enzymes to lift away dry, flaking dead skin cells. A facial massage of an aromatic botanical serum and an application of a creamy soothing mask help skin soak up the rejuvenating hydration. The complexion emerges looking fresh, dewy and radiant.

Peptide & Vitamin C Facial \$80

This ultra-nourishing treatment is brimming with peptides, vitamin C and antioxidants, creating a silky smooth anti-aging treatment that is gentle enough for all skin types. Instantly soothing and hydrating, this lavish treatment fades fine lines and wrinkles, leaving you delightfully indulged.

Detoxifying / Anti-Acne Facial \$85

A detoxifying, anti-acne facial that doubles up on exfoliation utilizing advanced enzyme technology and active salicylic acid to rid sticky, hardened, pore-clogging oils, debris and bacteria. Enhanced oxygen cream mask deeply purifies, kills acne bacteria, and delivers much needed nutrition into the skin. Ideal for those with acne or adult acne or those concerned with a congested texture. Not suitable if allergic to aspirin.

This treatment is also offered as a back facial. \$95

Dermaplaning \$75

~Add-on to a facial \$35

Unveil silky smooth skin with this exfoliating treatment that removes dead skin cells and unwanted facial hair. Dermaplaning also allows for greater penetration of skin care products and creates a flawless canvas for makeup to glide on smoothly. Includes a mild exfoliation and a treatment mask suitable to your skin.

Oxygen Infusion Facial \$110

Great for all skin types, this oxygen infused facial provides instant hydration and antiaging benefits. During the treatment, an airbrush-like hand piece is used to hover just above your skin releasing pure oxygen and serves as a delivery system to infuse hyaluronic acid, peptides, vitamins and botanicals deep within the skin. Includes steam, exfoliation, extractions and a mask.

Oxygen Infusion Treatment only \$50

Includes a cleansing, the oxygen infusion treatment, a moisturizer and SPF.

Microcurrent, Non-Surgical Facelift Single Treatment \$120

Series of 10 \$1080

Facial muscles are stimulated to firm and tone the skin through muscle re-education.

Microcurrent treatments are gentle, relaxing, and painless and require no down time.

Results are cumulative and best done in a series of 10-12 treatments, minimum one per week. After the series is complete, once per month maintenance is optimal to keep facial muscles toned.

LED Red Light Therapy

Single Treatment \$55

Series of 6 \$275

Also known as photo-rejuvenation, LED naturally reduces fine lines and wrinkles for younger, healthier skin. LED light signals the body to naturally convert light energy into cell energy without causing undue damage or discomfort. The skin's layers easily absorb the LED light making it extremely beneficial in treating problems close to the surface such as wrinkles, age spots, broken capillaries and acne scarring.

Teen Cleansing Facial \$65

This facial is an ideal way to introduce adolescents, ages 10-16, to the basics of good skin care. Treatment includes a thorough cleansing, exfoliation, gentle extractions, a treatment mask and step-by-step instructions for home skin care.

Skin Peels

Designed to improve surface texture and brighten the skin while helping to promote an even skin tone. Skin regenerating results also help reduce fine lines, age spots, pore size, hyperpigmentation, scars, rosacea and acne revealing a healthier, more vibrant skin.

Mild Peels \$60

~Add-on to a Facial \$40

Great for a quick brightening and refreshed look with no downtime.

Medium Depth Peels \$120

Go a little deeper vs. mild peels, expect some peeling and flaking for about 5-7 days.
